

SUDOCHEM

Sudochem is an industrial cleaning, maintenance, and restoration manufacturing company dedicated to delivering high-performance solutions for commercial, hospitality, institutional, and industrial environments. With a strong focus on quality, safety, and innovation,

Sudochem formulates and produces a wide range of cleaning agents, degreasers, disinfectants, and specialty maintenance products designed to meet the demands of modern hygiene and facility care.

Our mission is to support businesses with reliable, effective, and sustainable cleaning solutions that enhance operational efficiency and cleanliness standards.

INDUSTRIAL CLEANING SOLUTIONS

Your Trusted Partner in
Hygiene & Surface Care

Floor care / Hard Surface care

Care for Tiles, Stone, Concrete, &
Other Hard Surface

Tile & Grout cleaner -Low form

TILE & GROUT CLEANER LF High performance (low-foam), alkaline tile & grout cleaner

- Application: Tile & Grout Cleaner LF is a low-foaming, mildly alkaline cleaner for effectively removing grime from tile, stone, concrete, and grout surfaces.
- Features: Powered by nano surfactant technology, it penetrates deeply, minimizes foam, and is safe for machine use without damaging vacuum motors
- Solution: Delivers a powerful, residue-free clean, preventing discoloration and buildup, and making tile and hard surface maintenance more efficient and safe.
- Dilution: 1:4 to 1:10 and 1:100 to 1:200
- Pack sizes 5litres /20litres
- Safety profile : Non Hazardous

Tile & Grout cleaner -Ultra

T&G Ultra concentrated tile & grout cleaner

- Application: ultra is a high-strength cleaner designed to tackle tough grime, grease, and oil on tiles, natural stone, and concrete.

- Features: With its powerful caustic formula, it excels at removing oily soils, carbon buildup, and automotive grime. Its low-odour, food-friendly formula is highly concentrated for economical use.

- Solution: Perfect for industrial kitchens, food processing areas, and workshop floors, it penetrates deeply for powerful cleaning.

- Dilution: 1:60 - 1:120
- Size 20 ltr /5 litres
- Safety profile ;highly caustic Hazardous

Terramax

Acidic cleaner designed for restoring neglected grout lines and tiles

Terramax Restoration cleaner for neglected stone, tile & grout.

- **Application:** Terramax is a proprietary acidic cleaner designed for restoring neglected grout lines and tiles, effectively removing mineral scale, cement, efflorescence, and soap scum.

- **Features:** Its advanced low pH formula is powerful yet safe, avoiding harsh acids and ensuring effective restoration without damaging surfaces.

- **Solution:** Terramax tackles tough grime and embedded stains, making it ideal for preparing grout before sealing and revitalizing heavily soiled tiles.

- Dilution: 1:10
- pH: 1-1.5 ACIDIC
- 5 Litre 86,000 ex GST 20Ltrs 334,000 ex GS

CHLOROMAX

chlorine detergent and disinfectant

- CHLOROMAX Powerful chlorinated detergent
- Application: Chloromax is a thickened chlorine detergent and disinfectant, ideal for cleaning and sanitizing surfaces, removing mold, mildew, and stains.
- Features: Its high chlorine content and foaming action allow for effective cleaning and prolonged contact on vertical surfaces, enhancing stain removal and deodorization.
 - Solution:
- Chloromax effectively cleans, whitens, and disinfects, making it suitable for washrooms, food preparation areas, and outdoor surfaces, while also neutralizing odors and removing organic stains.
- Dilution: Ready to use - 1:30
- Safety profile : Non Hazardous
- Pack sizes : 5 L & 20 L

Neutral pro

Neutral Detergent from pH sensitive surfaces

- Neutral pro is a new generation, neutral pH detergent cleaner specifically designed to remove soil from pH sensitive surfaces such as fine stone and polymer coated flooring.
- Its stunning cleaning performance, safe and easy-to-use characteristics, with it's economical price tag has earned it the “product-of-choice” reputation by many professional contractors.
- Neutral pro employs the latest in nano surfactant technology to create a neutral high performance cleaner which leaves behind no unwelcome haziness, streakiness or slippery residues.

Dilution: 1:50 to 1:400

Safety profile: Non-hazardous

Pack sizes: 1Lt Chamber, 5Lt & 20 Lt

MOLD AWAY

Mold & Mildew Exterminator

- Disinfects bio-contaminated surfaces.
- Kills mold (including roots and hyphae) and removes the staining.
- Penetration – To provide complete mold removal of target surfaces, this powerful anti-microbial package has been combined with super-wetting technology. This enables the Hypochlorous Acid to penetrate faster and deeper into the inner-structure of fiber and porous substrates.
- Cleaning – Mold Exterminator also provide outstanding cleaning power to remove the accompanying organic grime.
- Almost instant stain removal with no scrubbing.
- **APPLICATION AREAS AND SURFACE SUITABILITY**
- Ideal for use in uninhabited buildings, strip-outs, sub-floors, external walling, landscape structures, roofs and pathways.
- **Pack sizes: 5Lt & 20Lt**

Hygiene Solutions

Cleaning solutions for Hospitality ,
commercial and health care

TOILET BOWL CLEANER

Powerful sanitizing toilet & urinal cleaner

TOILET BOWL CLEANER Powerful sanitizing toilet & urinal cleaner

- Application: Designed for powerful sanitization of toilets and urinals, effectively cleaning and refreshing these surfaces. It removes stains, rust, and hard water deposits while leaving a fresh scent.
- Features: Toilet Bowl Cleaner contains “Stay-Clean” technology to repel dirt and Elimotech odor neutralizing technology for ongoing freshness.
- Solution: Remove persistent stains, rust, and bacteria by providing a thorough clean, ensuring surfaces stay fresh and repellent to future soiling.
- Dilution: Undiluted up to 1:10
- pH: 2.5 ACIDIC

WINDOW CLEANER

Streak free window cleaner

WINDOW CLEANER Environmentally friendly, streak free window cleaner

- Application: A high-quality, environmentally friendly spray-on, wipe-off cleaner designed for windows, mirrors, and other smooth surfaces.
- Features: Window Cleaner delivers non-smear, fast-drying results with tough grime removal, using polymeric detergents and low VOC, hypoallergenic ingredients.
- Solution: Effectively removes grease and oil residues, leaving a streak-free finish on glass and other surfaces without harming the environment. Dilution: Ready to use.

- ✓ Carpets
- ✓ Upholstery (fabric sofas, car seats)
- ✓ Rugs & textile surfaces
- **Volume:** / 5L / 20L]
- **SAFETY PROFILE :** Non Hazardous

SUDO CORE 10

Enzymatic Laundry Detergent – Hard water

CORE 10 is a powerful, enzyme-based industrial laundry detergent formulated for deep cleaning of linens, uniforms, towels, and fabrics. It combines surfactants, water softeners, and enzymes to effectively lift tough stains, oils, proteins, and dirt from textiles.

- Used for linen cleaning in hospitals, healthcare, restaurants and hotels operations.
- ULTRA Concentrated - Economical
- Used by automatic laundry dispenser system, improves Detergent Performance and Labor Saving
- Safe for use on all machine washable fabrics.
- Effectively prevents precipitation of detergent components and graying of fabric.
- Combined with sudo-builder and ox bright bleach, it enhances soil removal from heavily soiled wash goods by affecting the soil-fibre interaction as well as by saponification of fatty soil

Stain Buster

protein, blood , oils , food , Stain Remover

- Stain Buster is a powerful stain remover and laundry pre-wash solution formulated for industrial use. Effective on grease, oils, blood, food, ink, and protein-based stains. Suitable for hotels, hospitals, uniforms, and commercial carpet /upholstery cleaning operations.
- **Industrial Spot Remover & Pre-Wash Booster Heavy-Duty Enzymatic Formula**
- **SUITABLE FOR:**
- Cotton, polyester, blends, car seats, upholstery, towels, linen

Sudo Builder

Detergent Booster that Lifts oils & Neutralizes Hard Water

- Laundry Alkaline Booster
- "Boosts Detergent Power – Lifts Grease – Neutralizes Hard Water"
- **SUDOBUILDER** is a powerful **alkaline laundry additive** formulated to **boost detergent effectiveness**, especially in **hard water conditions**. It emulsifies greasy soils, **breaks down protein stains**, and maintains an optimal pH level for maximum cleaning performance
- **Volumes:** 5L / 20L

OxyBright

Color-safe bleach that removes stains & brightens

- **Type: Oxygen Bleach**
Color-safe bleach that removes stains, brightens, and deodorizes. Safe for both colored and white garments.

Sudo Bleach

Powerful disinfectant and stain remover

- Type: Chlorine Bleach
Powerful disinfectant and stain remover for whites. Recommended for hospital linens and heavily soiled fabrics

Rinse Aid

fabric Sour & Neutralizer

- PRODUCT DESCRIPTION:
- **RINSE PRO** by SUDOCHEM is a **concentrated laundry sour** designed to restore the natural pH of fabrics during the final rinse. It neutralizes **alkaline detergent residues**, prevents mineral buildup, and enhances **fabric feel and brightness**, especially in high-temperature or hard water environments
- Softens Fabrics, Stops Yellowing, Removes Residue
- Volumes: / 5L / 20L

Sudo Soft

LAUNDRY SOFTENER : Softens, Freshens & Protects Your Fabrics

- **PRODUCT DESCRIPTION:**
- SUDOCHEM LAUNDRY SOFTENER is a premium fabric conditioner that leaves your clothes ultra-soft, fresh-smelling, and easy to iron. It reduces static cling, prevents stiffness, and prolongs fabric life. Suitable for all types of clothing, towels, bed linens, and delicate fabrics.
